Small Pontoon	\$60	\$80	\$120
NEW : Kayaks	\$15	\$20	\$40

2022: due to gas price fluctuation, gas is no longer included in the rental.

It is rare to use more than 5 gallons /day. Even in the pontoons.

So please plan on a additional gas charge of \$10-\$30 depending on amount of gas used.

Our marina is focused to getting you on the water, simple boats that are reliable and reasonably priced.

If you are interested in fancier fishing boats or pontoons with more rigging and equipment, please call Hayward Power Sports for rental info. They will deliver them to Teal lake and pick them up. #715-462-3674
